## PRIZES AWARDED TO SCHOOL CHILDREN

### For The Best Vegetable Garden And Best Kept Yard.

Last year the Civic Department of the Woman's Club gave prizes to the children from the Third grade to the Eighth for the best vegetable or flower garden and clean yard. This year the Civic and Art Departments of the Woman's Club undertook the work, giving prizes for vegetable gardens and clean yards. One hundred and fourteen children from the Fourth to the Eighth grades entered the contest.

There were two prizes offered for each ward, and two for the new addition, ten prizes in all. The first prize offered was \$2.50 in gold; the second prize \$1.00.

The ladies of the committee have worked faithfully, and on awarding the prizes, they gave each garden every consideration. First, and above all, the children worked the gardens themselves. Second, that the yards were kept clean and free from weeds and rubbish. The object in giving these prizes was not only the education the children derived from their three months work in the gardens, but it gave them something to do which was beneficial to themselves as well as to their parents, and aided materially in making Lexington a healthier and prettier town.

Mrs. Geo. P. Blackwell, chairman of the committee, awarded the prizes from the Chautauqua platform Sunday night. The following received prizes:

First Ward—Esther Albell, 1st prize; James O'Malley, 2nd prize.

Second Ward—Geneva Harding, 1st prize; Harold Bumgarner, 2nd prize.
